

DIRECTED STUDY

In unusual circumstances, a student may be permitted to take a course in the regular curriculum on a directed-study basis. Reasons for giving this permission are commonly related to the student's status:

1. As a candidate for graduation whose program requires the course or
2. As a transfer into the major for which the course is unavailable because of the course scheduling rotation.

The student must receive approvals as indicated on the directed study forms available in the registrar's office.
